God be Glorified

Our first day trip team is heading down to Tijuana today to serve kids at a local orphanage.

Prayer For:

- God be glorified in all that we do this Christmas Outreach
- Protection and alignment with God's heart for the first day trip team
- For the children to know God and experience Him through the team and Esperanza

Team Unity

Our team is made up of people from around the world. We come to this work with our own cultures and beliefs. Unity is critical because we are showing the world what it means for the body of Christ to serve children together.

Prayer For:

- One spirit and one body as we serve together
- Love and forgiveness for one another as we do this work

Wisdom for Esperanza

Ministry with people and in difficult environments can be trying, especially when urgent needs and fires, often out of our control, continue to arise week to week.

Prayer For:

- Discernment and hearing God's voice for directors and staff for difficult decisions
- Wisdom and leading of the Spirit for navigating difficult situations
- Reliance on God for guidance and clarity

Vulnerable Children

Religion that is pure and undefiled before God the Father is this: to visit orphans and widows in their affliction, and to keep oneself unstained from the world. - James 1:27

We are called to serve vulnerable children and to help the church understand its role. We want to show the heart of God in caring for children in need so that his church may be moved to action.

Prayer For:

- Sensitivity and compassion to children who are hurting
- Healing to those living in brokenness
- Revival for the church into the hard places so that your mercy may be seen

Restoration of Broken Families

Families in Tijuana are in need of God's restoration. Many parents struggle with poverty, prostitution, crime, and drugs that prevent them from being able to care for their children well.

Prayer For:

- Healing over single-family homes, especially mothers
- Reconciliation and redemption in how parents see their children

Love of God

We know that human efforts are not enough to save lives, we call upon God's love to redeem the broken relationships in Mexico.

Prayer For:

- Dependence on God's love to heal hearts not on human strength
- Receiving and relying on the full measure of God's love to pour out on the children

Physical Healing

Many of our staff members and families have chronic illnesses, or are in need of medical help for serious injuries or conditions. Serving God in a demanding ministry can be further exacerbated when we feel physically unwell.

Prayer For:

- Miraculous healing for injuries, health issues, and pain for staff
- Reliable and helpful medical advice and care
- Dependence and faith in God, our Redeemer and Healer
